

CAUTION! PASSENGER SAFETY RULES ON BOARD

Dear Passenger,

We welcome you on board and hope you will have a most pleasant voyage with us!

For your own comfort and safety, we would like you to acquaint yourself with our boat and read this brochure on our "Safety On Board" procedures and systems.

1. Please **remain seated** during the entire duration of our cruise! It is **not allowed to stand up or move onboard** when the boat is running!
2. Please always **hold tight if you need to change your seat or walk** on board!
3. **Wearing of lifejacket is mandatory for non-swimmers and children** (under 14 years)! Please ask for it from your captain. (Passengers not asking for lifejackets shall be deemed as swimmers.)
4. **Diving into the water from the boat is prohibited.**
5. **Smoking on board is strictly prohibited!**
6. **Please do not bring food, drink, gum or tobacco on board.**
7. **Glass and fragile items are prohibited** on board.
8. Please **do not enter into restricted units/areas** of the boat (e.g.: swimming platform, front deck, etc.)
9. Please **embark or disembark only when the captain or the first mate assist you** to do so.
10. Please **follow the safety instructions of the captain** during your cruise!
11. Please note that **waves and high speed is a potential risk of personal injury when you do not follow the safety instructions!**
12. Blue Ride Co Ltd. **excludes its liability for damages or injuries resulting as a consequence of a breach of safety procedures** referred above.

Have a nice time on board! We wish you a pleasant journey! ☺
